

American Heritage Charter School Reopening Plan 2022/2023

Definition of Community Spread for American Heritage Charter School		
Low/No Spread *(CDC Category 1- No Community Spread)	Minimal/Moderate Spread *(CDC Category 2- Minimal to Moderate Community Transmission)	Substantial Spread *(CDC Category 3- Substantial Community Transmission)
Evidence of isolated cases or limited community transmission, case investigations underway, no evidence of exposure in large communal settings like healthcare facilities, schools, and mass gatherings.	Widespread and/or sustained transmission with high likelihood or confirmed exposure within communal settings, with potential for rapid increase in suspected cases.	Large-scale community transmission, healthcare staffing significantly impacted, multiple cases within communal settings like healthcare facilities, schools, and mass gatherings.

For more information see the full document: * CDC’s COVID-19 Guidance for Schools

*American Heritage Charter School’s Board of Directors will determine the level of operation for the school.

Practicing Prevention		
<i>Level of School-Community Spread as determined in conjunction with local health officials</i>		
Low/No Spread (CDC Category 1)	Minimal/Moderate Spread (CDC Category 2)	Substantial Spread (CDC Category 3)
<p>Standard Operating Procedures and Preventative Measures:</p> <ul style="list-style-type: none"> Teach and reinforce good hygiene measures. Provide hand soap and hand sanitizer with at least 60% alcohol and no-touch trash cans in all bathrooms, classrooms, and frequently trafficked areas. 	<p>Follow all procedures in Category 1 plus:</p> <ul style="list-style-type: none"> Schedule additional cleanings of school buildings Large group gatherings will not be permitted. Limit mixing between groups when possible. 	<p>School buildings are closed and all students will be taught online/virtually.</p>

<ul style="list-style-type: none"> ● Provide Ionic Air Purifiers in classrooms and frequently trafficked areas. ● Post signage in foyers, classrooms, cafeteria, and library to communicate how to stop the spread. ● Clean and disinfect frequently touched surfaces at least daily and shared objects after each use. ● Recommend staff to wear district-provided face shield or a self-provided cloth mask. ● Face mask for learners will be optional ● Practice physical distancing to the extent possible. ● Conduct deep cleaning of schools prior to learners/staff returning and schedule periodic cleaning throughout the school year. ● Refrain from large assemblies. Requests for an assembly will be considered on a case-by-case basis. ● Abide by maximum group limitations as defined by Idaho's Rebound Plan. ● Discourage gatherings in large groups and encourage physical distancing. ● Utilize social media and other communication to inform parents, learners, and staff about COVID-19 symptoms, preventative measures, good hygiene and district protocols. ● Water fountains will be turned off
